LOST BY AN ERROR,

The Second Extra Inning Game Goes to the Visiting Team.

The loss of yesterday's game to the Chicagos was due more to the bad judgment of Manager Schmelz in putting Sullivan in the box than anything else. It was a tough game Don't forget the Boys to lose, because the Senators had it won, then lost it again, and finally tied it, only to be defeated by an error by Endford. The latter's failure to hold Parrott's grounder virtually lost the game, as there were two men our. Then Schriver made a single and Anson came There was a large crowd present, and such

There was a large crowd present, and such rooting has not been heard at National park for many days. There was great occasion for shouting, and there would have been much more had the game terminated in favor of the Senators. But, also, the uncertainty of baseball. It seems hard luck to lose a game that was wen on good, clean hitting. The home team weat out in one, two, three order in the first, but in the second Maguire hit for two bases, Ryan dropped Teboau's fly after a hard run, and fladford singled. Two In the third they jumped on Mr. Hutchison

An the third they jumped on Mr. Butemeson with such force that Anson took him out of the box before the inning closed. Five carned runs crossed the plate on singles by Ward, Abbey, Maguire, and Tebeau, a triple by Selbach, at d Cartwright's two-bagger.

and Selbach bases on balls, Maguire going out. Telean cleared the bases on a long drive for two bases.

The last un was made in the sixth on Has-samer's base on balls and singles by Abbey and Maguire.

In the seventh the bases were full with none

In the several the cases were tan with none out, but not a run was made. The Chicagos made two runs in the first on two bases on balls—fiyan and Wilmot—a put-out and Lange's single. Sullivan hit the first batter up in the second, and Schriver sent one over the left-field fence. After Hutchison went out Ryan hit safely, scoring on Dahlen's three-bager. This inning settled Sullivan, and Petty was

and then frwin was given his base on balls. Parrott and Schriver followed with two-base hits, and two runs were scored.

McGill's two-lagger and Hassamer's wild throw to first netted a run in the fourth.

Lange made a clean home run in the fifth.

Errors by Radford and Hassamer, McGill's single and Kyan's three-bagger resulted in

three runs, fieing the score.

This was enough for Petty, and Mercer was put in the box, and only four hits were made on him. But one of the four won the game. Twenty men went to the but in six mnings.

In the twelfth Anson hit for a base. Lange of the country was any to Salbash and Fast and Irwin went out to Selbach and Cartand frein went out to seither and carr-wright, respectively. Farroit sent one to Radford, and Paul sent a thrill through exceptody by dropping the ball. He had but to take two steps and retire Anson at second. Then Schriver drove one over second base, and Anson scored the winning run. The

Wages Have Been Cut. A delegation of pottery workmen from Trenton, N. J., called yesterday on Senators Jones Senator Smith, of their state, and talked over

the pottery schedule of the tariff bill.

They represented that their wages had been cut 25 per cent, on January 1, and that the potters had retained 50 per cent, of what remained, so as to save themselves from the effect of the present bill if it should go into effect. effect.
Some of the men wanted the rates retained

as in the present law, and others suggest that unless the potters increased the wages that pottery ware should be placed on the free list. The Senators said that was a question be tween the potters and their employes, Senator Jones remarking that it was one of the ideas which has grown up among the people that Congress can regulate everything, even to Congress can regulate everyth the length of a man's boot tops.

the Island track races yesterday, and they were kept pretty busy. Psyche, Agitation and Syracuse were the winning favorites, but there was more money lost than won by the talent, as Flia, Turco, Camden and McKeever were mediums of heavy plunges. The time, 0:4854, made by Cossack in the fourth-race, establishes a new record for the track.

close and interesting. Old Syracuse had things his own way in the heavy weight affair, and his own way in the heavy weight affair, and could never be headed. Payche won the first race rather easily, but if finance had not gotten oil budly and been knocked about in the race the result might have been didgent. Eilla could not stay the route with Varona in the second, the letter winning in a pretty finish. The uncertain Turco opened favorice in the cold dash, but Agitation closed a slight choice. The latter won in a drive from west Falls willy, which was off lest and came with a great burst of speed in the final furions.

Camelon was favorite at odds on in the fourth, but Moore writed with Cossar's and best out the first choice in a drive. Syra use rouned home winner of the mile race, with McKeever in the place.
